

How to
press into
pain...

First

FOCUS ON THE CROSS

"The place of God's
greatest pain was the
place of God's
connection to us."

Second

REMEMBER OTHERS ARE HURTING

"Those who strike out
and wound me...are
coming from a place
where they're
bleeding. "

...when we
would rather
shrink back.

Three things to
prayerfully ponder
and apply.

SHORE UP MY OWN IDENTITY IN CHRIST

"He picked me when I
was already broken
and a mess. That
means I don't have to
perform for him."
