The Best Ways to Reconnect with Your Family

The Best Ways To Reconnect With Your Family

Discovery Verse

Philippians 4:6

"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God."

Grow Your Grit

Parenting is THE hardest thing we will ever likely do.

Embrace God's Grace

God never intended us to do this perfectly.

Discovery Quote

"You're a better parent than you think you are." ~Kathi Lipp

Digging Deeper

1. Reflect on when your family has “fallen apart” and what you believe about your parenting as a result?

2. You ARE a better parent than you think you are...(how does this hit your heart?)

3. How do I trust God in the “daily grind” of motherhood?

4. Community is so critical. Do I have a supportive community for parenting?

5. How does the grace and hope Kathi presented impact how you see your parenting?

Discovery Prayer

Dear Jesus, there is nothing like motherhood that brings me to my knees. It feels like the one place where I NEED to be perfect and also just CAN'T get it right. I need so much of you. Open my eyes and heart to see where I can surrender to your grace and leading. Remind me I am not alone. Thank you, Amen
